

**Kinofest 2013**

**International Digital Film Festival**

**27 – 29 September 2013 | Bucharest, Romania**

**Registration deadline: August 25, 2013**

*Participation in the KINOFEST International Digital Film Festival implies understanding and acceptance of all terms included in this **entry form**, and on our online **Terms and Conditions** ([www.kinofest.com](http://www.kinofest.com), on the Registration section)*

Every filmmaker or animator, can submit as many works as he/she likes. There is no submission fee. In order to register your work, you must fill and send this **the entry form**.

Few conditions (all the conditions are available on our webpage):

1. The filmmaker declares that she/he has **the copyright** of the work and should be regarded as the sole maker. The person submitting the film/video declares with her/his signature below that she/he is entitled by the owner of the rights in the film/video to undertake such submission and that the owner of the rights agrees to the enclosed regulations in their currently valid form.

2. The festival reserves **the right to screen/present** the selected films in **any festival circumstances and activities** (but only under the name of Kinofest).

Kinofest activities consist of:

- presentations and screenings during **the festival, the award event** (the gala)
- **the festival retrospectives**
- in **exhibitions, lectures**
- in a **TV broadcast**
- in a **catalogue** (in printed or electronic form)
- on **the official website** of Kinofest
- on a partner **web-site/platform**, available only for Romanian IP
- **other materials/activities**

All our activities will be marked with the festival's name, all the films will be presented as part of a selection, in groups, so they will not be used separately. Our activities are not permanent, they are limited in time (usually they last few days). In all circumstance, the organisers will assure and guarantee the safety of the films, so no copy will be possible.

3. The festival reserves **the right to use trailers, music and still images** of your work for promotion and marketing purposes (only under the name of Kinofest) – maximum 30 seconds.

4. The movies are accepted only if they are **subtitled in English** (condition necessary only for the films with dialogues).

## 5. Print / Format details

Accepted formats are **MP4, Quicktime, AVI, MPEG 2, DVD-VOB**

- 5 seconds black before the movie starts
- export your movie as quicktime 720x576 pixels with dv-pal compressor and 48kh sound or 1280x720 pixels with dv-pal compressor and 48kh sound, or 1920 x 1080 pixels with dv-pal compressor and 48kh sound

## 6. Registration of the film:
